## JAMAICA BLUE'S GIFT CARD TERMS AND CONDITIONS OF USE

In these Terms and Conditions:

"We" or "us" or "our" or "the Issuer", "Program Manager" or "MAF Finance" means Majid Al Futtaim Finance LLC.

"You" or "your" or "the user" means the purchaser of the Gift Card (as defined below) (or the person nominated by the purchaser to use it).

"Summary Box" means the summary box listing the fees and additional information applicable to the Gift Card on [www.premogiftcards.com](http://www.premogiftcards.com).

Please read these terms and conditions (the "Terms and Conditions") carefully and keep a copy for your records. These Terms and Conditions will apply between the user, the Issuer and the Program Manager in relation to Jamaica Blue's Gift Card ("Gift Card") to be used at the Jamaica Blue restaurants and food outlets in the United Arab Emirates (the "Location").

### 1. Gift Card Information

1.1 The Gift Card is a Prepaid Gift Card and should be treated just like cash in a wallet or purse. Unless the Gift Card is registered at <http://www.premogiftcards.com> / (the "website"), it cannot be replaced if lost or stolen. If the Gift Card is not registered and you lose the Gift Card or it is stolen, you will lose any funds held on the Gift Card just as if you lost your wallet or purse. (Subject to clause 3 below.)

1.2 The Gift Card can only be used in the Locations and any other facilities as may be designated from time the Issuer and the Program Manager.

1.3 The Gift Card is not a debit, credit or charge card. It cannot be used to obtain cash via any ATM machine or over any counter (without prejudice to clause 4 "Redeeming Unspent Funds"). There is no credit line associated with the Gift Card. The Gift Card cannot be topped up or reloaded.

1.4 The security code is used only to obtain information on-line or by telephone and to register online. You are required to keep the Gift Card and the numbers on it safe and secure for the user's own personal use. Any misuse by a third party will be at your risk (see also clause 3 below).

1.5 When purchasing the Gift Card, the purchaser must pay the one-off Cost of the Card (see the Summary Box below) and purchase an amount within the minimum limit and the maximum limit (as specified in the Summary Box) to be loaded to the Gift Card. The currency of the Gift Card is AED.

1.6 It is expected that the Gift Card may be used at any Location; but you specifically agree that the Issuer will not be liable if you cannot use the Gift Card in any specific Location. Additionally, the Issuer cannot

guarantee that the Program Manager who has agreed to accept the Gift Card will continue to accept the Gift Card.

1.7 The Gift Card will be valid for 12 months from its date of purchase (the "Card Validity Period") or until all the value stored on your Gift Card has been deducted, whichever occurs earlier. After the Card Validity Period ends, the Gift Card may not be used except in accordance with clause 4 and the terms stated in the summary box included herein.

## **2. Using the Gift Card**

2.1 The Gift Card is available for purchase at such designated outlets as may be advertised by the Issuer or the Program Manager from time to time.

2.2 The purchaser should provide the security code personally, securely and confidentially to the user. The security code is printed inside the Gift Card package.

2.3 Only the user whose signature is on the back of the card may use the Gift Card for transactions. The user must sign the Gift Card upon receipt. The Gift Card is activated immediately on purchase and can be used by the user upon signature.

2.4 The user is responsible for keeping track of the available balance on the Gift Card. To check your balance at any time or to check your previous transactions, you can go to <http://www.premogiftcards.com> /and follow the links to Gift Cards. Sign in using your 16 digit card number and security code. You can also check your balance by calling +971 4 2935814 (fees apply).

2.5 At the time of each transaction on the Gift Card, there must be enough value stored on the Gift Card to pay for the transaction. Transactions that exceed the remaining Gift Card balance are prohibited and will be declined at the point of sale. However, if accepted by the Program Manager, the amount that exceeds the remaining Gift Card balance can be paid using a different payment method provided that the Gift Card is charged only an amount equivalent to the amount loaded onto or remaining on the Gift Card. The Issuer cannot guarantee the acceptance of a different payment method by the Program Manager in the circumstances described in this clause.

2.6 You agree that the value stored on the Gift Card will be reduced by the value of all purchases made at any Location that are authorized by you. Transactions are authorized by you when you:

- a- swipe your Gift Card or allow an operator or other person to do so, at an electronic point of sale terminal at any Location; or
- b- Give any Location the details of the Gift Card and authorize the transaction in some other way approved by the Program Manager.

2.7 When you authorize a transaction:

- c- you are confirming that the transaction correctly represents the purchase price of the goods or services obtained; and
- d- You are agreeing to pay the amount of that transaction by the reduction of the remaining Gift Card value by an amount equivalent to the purchase price of the goods or services obtained.

## **3. Loss, Theft, Damage, Misuse**

If your Gift Card is lost, stolen, damaged or misused, call immediately 971 4 2935814 (fees apply) with your card number and security code. Subject to clause 1.1, your Gift Card will be cancelled, and if it holds funds for an amount equal to the Replacement Fee (as specified in the Summary Box) plus replacement card courier delivery charges, it will be replaced with a new Gift Card. Any balance then remaining will be transferred to the new Gift Card. Your Gift Card will only be reissued after a period of up to 15 business days following your request, to ensure that details of all transactions up to cancellation have been received. A Gift Card Replacement Fee (as specified in the Summary Box) will be deducted from the balance.

#### **4. Redeeming Unspent Funds**

4.1 You should use all of the value of the Gift Card before the end of the Card Validity Period (which is set to occur 12 months from the purchase date, as shown on the website). #### **6. Ownership/Return/Cancellation/Destruction of the Gift Card**

6.1 We retain ownership of the Gift Card at all times. It should be returned to the Program Manager or destroyed as soon as it has no spending or redemption value, or if replaced but available, or if cancelled, or if required by us pursuant to clause 5 above.

6.2 You are not entitled to cancel the Gift Card.

6.3 We may decide to cancel the Gift Card at any time without informing you in advance. If we do, any remaining balance stored on your Gift Card will be refunded to you in any manner as we may specify. Your Gift Card will also be cancelled when you have used up all the value stored on your Gift Card or your right to redeem any unspent funds has expired (see summary box included herein). In any such events, you will not be entitled to claim for compensation against us or the Program Manager.
